Are you looking for the perfect place to call home?

Cloud Peak Vistas Apartments has the home for you and your family. Located on the outskirts of beautiful Buffalo, Wyoming, our two and three bedrooms are exactly what you are looking for!

Close to historic Buffalo, Wyoming and the Big Horn Mountains, it's easy to find fun things to do as well as have access to all of your needs.

We offer a community room, playground, business center, and on site leasing office. Your new home comes fully equipped with energy efficient appliances and much more. We offer an on site laundry facility and bus stop for the school aged kids.

Come and see your new home today at Cloud Peak Vistas, a pet friendly place to live.
